PROFILE

Graphic Designer with both web and print experience and a passion for packaging design. More than willing to learn any new design skills that could help me succeed in future roles.

EXPERIENCE

Freelance Graphic Designer

2018-Present / *Self-Employed*

I create logos, branding, labels, social media materials, and other design work for businesses and individuals around the Bay Area and beyond. One of my main clients is *Cloudwords* in San Francisco where I've made graphics for social media, gifs one-pagers, email footers, and more.

Social Media Design Intern

2020-2020 / *Scottsdale Titans*

Posted on behalf of the team on LinkedIn while creating various graphics, logos and flyers for use on social medias and print. Also created multiple t-shirt designs and the logo for the cheerleading team, the Scottsdale Valkyries.

Administrative Assistant

2018-2020 / *Green Hills Country Club*

Regularly created flyers, posters, email/SMS blasts, as well as other web and print graphics used by the Club. Updated menus, signage, and Club website on a daily basis.

Experience Team Member

2018-2018 / *The Color Factory, SF*

Assisted in the installation and deconstruction of art installations. Also dealt with day-to-day customer relations.
